

**MASTER PLAN**  
Scala 1:500

The master plan shows a site bounded by a dashed line. A north arrow is located in the top right corner. The site is divided by a vertical street labeled 'VIA DELLE FOLAGHE'. To the left of the street is a large, irregular building footprint. To the right of the street is a smaller building footprint. A red hatched rectangular area is located on the right side of the site, adjacent to the street. The hatched area is oriented vertically and is the focus of the project.
