

MASTER PLAN
Scala 1:500

The master plan shows a site bounded by Via Belle Foliole to the north and Via S. Maria to the east. A central building footprint is highlighted in red with diagonal hatching. The plan includes various architectural details such as walls, windows, doors, and stairs. A north arrow is located in the top right corner.

A photograph of a multi-story apartment building with a central staircase and balconies, surrounded by greenery. The building has a light-colored facade and several windows. The central staircase is visible, and there are balconies on the upper floors. The building is surrounded by trees and bushes.

A photograph of a three-story building facade. The building has a flat roof with a dark brown or grey finish. The facade is light-colored, possibly beige or off-white. There are several windows: a row of four windows on the top floor, a row of four windows on the middle floor, and a row of four windows on the bottom floor. The windows are rectangular and some have white frames or shutters. The building is set against a clear blue sky with some light clouds. There are some green trees and bushes visible on the left side of the building.
